Dear Samson,

It was a please speaking to you in the first day of the year! As agreed, I am grateful to meet you and the Acting Head of Secretariat of LEITI for a quick introductory chat as I assume my new role as ArcelorMittal's lead representative to the LEITI. I will be at the Secretariat office at 10 a.m. on Thursday, 2 January 2020.

I apologize that the formal intro letter from the CEO, sent in November 2019, was addressed to you instead of Mr. Yates, who has already confirmed receipt. I am sure my colleague Eric Swen may have also already notified you. If Mr. Swen's schedule permits him, we will attend together.

Ahead of our meeting, I have attached a short bio for Mr. Yates' information. You already know me.

Warm regards
