Dear Mr. Sir/Madam:

RE: Invitation to a One-Day Technical Workshop with Government Agencies & Companies on Liberia's 13th & 14th EITI Reports Preparation

The Liberia Extractive Industries Transparency Initiative (LEITI) has commenced activities to prepare Liberia's 13th & 14th EITI Reports under the Flexible Reporting Framework for FY2019/20 and FY2020/21.

In support of this exercise, the LEITI Secretariat will hold a one-day technical workshop for all government agencies and companies involved in collecting and paying revenue in the extractive sector (Forestry, Agriculture, Mining, and Oil & Gas). The workshop is scheduled for May 27, 2022, from 9:00am to 2:30pm at Shark's Entertainment, located in Monrovia's Airfield Community.

The workshop is aimed at walking companies and government agencies through the reporting process while, at the same time, providing a platform to address challenges faced during the preparation of the previous report and devise ways to remedy these challenges.

We, therefore, invite you to kindly send two (2) of your staff members directly responsible for or associated with LEITI data preparation and submission within your entity. We look forward to meeting your representatives at the workshop. Should you have any concerns, don't hesitate to contact the Secretariat via **0888060888/0770167440** or email address: j.yates2007@yahoo.com/jefferynukatayates2000@gmail.com.

Sincerely yours,

Jeffrey N. Yates
