Hon. Samuel D. Tweah, Jr.

MINISTER

Ministry of Finance and Development Planning (MFDP)
Republic of Liberia

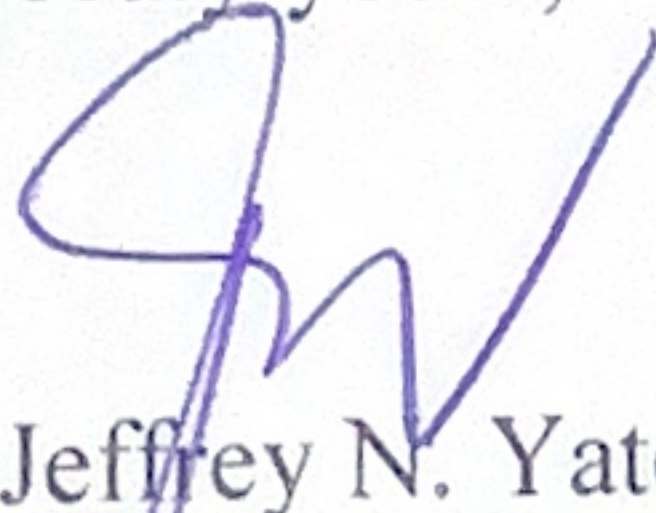

Dear: Hon. Tweah:

In adherence to the Independent Reconciler's **Recommendation # 6** as contained in LEITI's 10th and 11th EITI Reports, which states "Lack of LEITI's Focal Points at Government MACs," the Secretariat wishes to request that your institution kindly dedicate an employee who will focus exclusively on facilitating the LEITI Secretariat in obtaining data and information during the reporting period.

The Secretariat believes that when this recommendation is implemented, it will significantly assist in curbing the difficulties the Secretariat faces during the scoping and data collection phases of our report.

Kindly allow the Secretariat to have your profound response before the close of the business day on Friday, January 14, 2022.

Truly yours,

Jeffrey N. Yates

Head of Secretariat
