Cllr. Alexandra K. Zoe  
**Executive Chairperson**  
Liberia Anti- Corruption Commission (LACC)  
Divine Town Community  
Tubman Boulevard  
Monrovia, Liberia

**Subject: Submission of LEITI's 16th EITI Report**

Dear Cllr. Zoe,

Please accept my esteemed compliments.

On behalf of the Liberia Extractive Industries Transparency Initiative (LEITI), I am pleased to formally submit Liberia's 16th EITI Report for the fiscal year 2023.

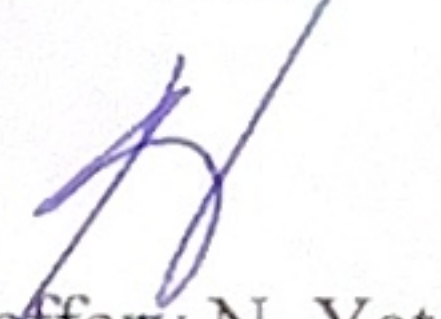

The 16th EITI Report represents LEITI's continued commitment to promoting transparency, accountability, and good governance within Liberia's extractive sector. It provides comprehensive disclosures on revenues, production, exports, licensing, and other key sector information, in line with the 2023 EITI Standard, thereby supporting evidence-based decision-making and public trust.

This report reflects the collaborative efforts of the government, companies, and civil society stakeholders and reaffirms Liberia's commitment to maintaining compliance with global best practices in extractive-sector governance. Consequently, the MSG has identified two suspected cases that it would appreciate a deeper review by the Commission. Following your receipt of this report, the LEITI Secretariat is available to discuss the suspected cases identified by the MSG with the LACC.

We remain grateful for the LACC's sustained support for transparency reforms. LEITI stands ready to provide any additional clarification or engagement that may be required regarding the contents of this report.

Please accept the assurances of my highest consideration.

Sincerely yours,

  
Jeffery N. Yates
